

REMARKS

Claims 1-7, 9, 14-21 and new claims 22-25 are pending. The support for the amendments and new claims can be found in the published application as follows: Claims 1-5, 7, 9, 14-17 and 20-21: grammatical clarity; Claim 22-24:[0051]; and Claim 25: claim 11. No new matter has been added.

Claims 1-5, 7-17 and 20-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. (Office Action, p. 2)

Claims 8 and 10-13 have been canceled making the rejection with respect to them moot.

The term “type” has been deleted from all claims making the rejection with respect to claims 1-5, 7, 9, 13-17 and 20-21 moot.

Claims 6 and 18-19 are objected to for depending on a rejected base claim. (Office Action, p. 3)

The base claim has been amended making this rejection moot as well.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

In the event that this paper is not timely filed, Applicants respectfully petition for an appropriate extension of time. Please charge any fees for such an extension of time and any other fees which may be due with respect to this paper, to Deposit Account No. 04-1105.
